CHAPTER II: LICENSE CONDITIONS

Article 1. Definitions

1. Terms used in this license shall have the following meaning:

“Member”- direct or indirect relationship with the licensee, any shareholder company or subsidiary of the licensee, or any subsidiary of a shareholder Company of the Licensee, established under applicable legislation.

“Electricity Export”- transmission of electricity from Kosovo to another country, in the sense that at the same time the electricity will be accepted from that country.

“Electricity Import”- acceptance of electricity in Kosovo from another country, in the sense that at the same time the electricity will be accepted.

“Wholesale customer (trader)”- any legal or physical person purchasing electricity with the purpose of reselling it, within or out of the system where it is established.

“Financial Year” period from 1 January to 31 December of the same calendar year.

“ Joint Stock Company” – a company defined as such in accordance with applicable law in Kosovo.

“Legislation”- Law on Energy (Law no. 05/L-081), Law on Energy Regulator (Law no. 05/L-084), Law on Electricity (Law no. 05/L-085), Law on Competition (Law no. 2004/36) and other primary or secondary legislation regulating the energy sector.

“Market Rules”- rules adopted by the Regulator, determining the functioning of electricity market and the relationship between the Market Operator and market participants, as well as interactions between these parties and the Transmission System Operator.

“Codes” -the technical rules developed by Transmission System Operator and Distribution System Operator under the Law on Electricity and approved by the Regulator, in accordance with Law on Energy.

“Power Purchase Agreement”- An agreement for purchase of electricity with the generator of energy in accordance with Article 18 of Law on Electricity.

“Subsidiary”- any enterprise owned or controlled by another enterprise, as defined by the applicable law in Kosovo.

“Transit”- electricity transport through Kosovo Transmission System, where neither generation nor corresponding acceptance of electricity is realized in Kosovo.

2. Other terms used in this license shall have the same meaning prescribed to them as the terms used in applicable legislation.

Article 2 **Prohibition of Subsidies and Cross- subsidies**

The Licensee shall prevent or avoid that the activity for electricity supply, export or import award or obtain any subsidy or cross-subsidy (direct or indirect) from any other activity of the Licensee and or any Subsidiary (partner) or any member and/or from any other person.

Article 3 **Compliance with the Distribution Code, the Grid Code, the Metering Code and the Rule on General Conditions of Energy Supply**

1. The Licensee shall comply with the provisions of the Distribution Code, the Grid Code, the Metering Code and the Rule on General Conditions of Energy Supply.
2. The licensee shall seek derogation (postponement) in the application of the provisions which are not possible to be applied, according to paragraph 1 of this Article. Following the receipt of the request by the licensee, ERO may allow or refuse derogation (postponement) of the implementation term.

Article 4 **Market Rules**

1. The Licensee shall act in conformity with the applicable Market Rules.
2. The licensee shall seek derogation (postponement) in the implementation of some provisions of Market Rules. Following the review of the request from the licensee, ERO may allow or refuse the derogation (postponement) of the implementation term.

Article 5 **Health and Safety**

The Licensee shall take any action necessary to protect persons from injuries that may be caused by the Licensee while performing the licensed activity, in accordance with applicable legislation.

Article 6 Labour

Regarding the employment relationships and safety at work, the Licensee shall act in conformity with applicable legislation in Kosovo.

Article 7 Change in Control of the Licensee

1. The Licensee shall notify ERO of any changes expected in control at least sixty (60) days in advance. Change in control shall not take effect until it is approved by the Regulator.
2. The Licensee shall notify the ERO of any change in the organizational structure of the Licensee. Such notice shall be given to ERO not later than three (3) days from the date of any such change.

Article 8 Provision of information to the Regulator

1. The Licensee shall submit to ERO information and reports related to energy contracts with other enterprises licensed by ERO, in the manner and on time-frames that ERO will require.
2. If the Licensee, in compliance with the Rule on Confidential Information requires certain information to be considered as confidential, it is obliged to mark such information as confidential and to justify its request to ERO. ERO will review such request pursuant to Rule on Confidential Information.
3. Energy Regulatory Office is entitled to ask from the Licensee any confidential information, necessary for performance of its functions and duties in accordance with Article 12 of Law on Energy Regulator.
4. The Licensee shall appoint a person through whom it will communicate with Transmission System Operator and Market Operator. The address, phone number, fax number or electronic mail address of this person shall be submitted to the Transmission System Operator and Market Operator.
5. The Licensee shall hand over to ERO details of any changes in information submitted in the course of application for this license.

In this Article:

"Information" – material in any form and shall include, without limitation, any contract, book, document, record, accounting, calculation (statutory or other), assessment, return or report of any description or any explanation (verbal or written) with respect to these

information that may be requested from the Regulator.

Article 9

Renewal, Modification, Suspension, Transfer and Termination of the License

1. ERO may renew, modify, suspend, and terminate this license in accordance with the Law on Energy Regulator and the Rule on Licensing of Energy Activities in Kosovo.
2. ERO may transfer this license in accordance with Law on Energy Regulator and Rule on Licensing of Energy Activities in Kosovo, ensuring that the license obligations may be performed by another Licensee and if the customers will not be be harmed due to such a transfer.

Article 10

Taxes

The Licensee shall pay to ERO any initial and annual tax, determined pursuant to Rule on Taxes, issued by ERO.

Article 11

Administrative Measures and Fines

1. In case of violation of provisions of applicable legislation including the rules issued by ERO, Articles of this License or instructions given by ERO to the licensee, ERO has the power to impose administrative measures and fines to the Licensee, in accordance with Article 52 of Law on Energy Regulator and Rule on Administrative Measures and Fines.
2. Administrative measures and fines may be imposed to the enterprise as a legal entity as well as to responsible people within the enterprise.
3. The amount of fine shall be assessed in accordance with Law on Energy Regulator and Rule on Administrative Measures and Fines.

Article 12: Dispute Settlement

1. Any dispute that may arise or is related to licensed activities shall be resolved in accordance with Rule on Resolution of Complaints and Disputes in Energy Sector, issued by ERO.
2. Decisions of ERO related to renewal, modification, suspension, termination and transfer of the license as well as decisions on fines as a consequence of violations of license conditions or violations of applicable legislation, may be contested by the Licensee at the competent Court, in conformity with applicable laws.
