## DECISION

### On Notification for Preliminary Authorization

- I. Energy Regulatory Office (ERO), hereby concludes that **C.C. “DILLI- COM”**, has demonstrated its suitability for development of the project for construction of new generation capacities for electricity generation from Water, in Bresana River, **HPP Bresana** with an installed capacity of **0.31 MW**, Municipality of Dragash, Republic of Kosovo.

- II. To the applicant C.C. "DILLI-COM" will be issued the AUTHORIZATION for construction of new generation capacities from water, after it meets the requirements that derive from Articles 14 and 15 of the Rule on Authorization Procedure and other requirements of the applicable legislation related to construction of new generation plants.
- III. Decision on Notification for Preliminary Authorization does not entitle the holder to start the construction of new generation plant before it meets all the requirements and conditions set forth in item II. of this Decision.
- IV. Decision on Notification for Preliminary Authorization stipulates targets availability as well as the admission of the applicant to the Support Scheme and automatic guarantee of feed-in tariff.
- V. The Notification on Decision for Preliminary Authorization determines that the applicant is guaranteed the bond of agreement on Electricity Transaction with Public Suppliers in a 10 (ten) years period, which will be concluded at least 30 (thirty) days before the date of commencement of generating operation
- VI. This Decision on Notification for Preliminary Authorization is issued for a one (1) year period, and within this period the applicant is obliged to meet the requirements under item II of the enacting clause of this Decision, and shall request in writing granting of Authorization for construction of New Generation Plant from Water.

### Reasoning

- On 30 December 2015, ERO received from **C.C "DILLI-COM"** Company the application for obtaining the authorization for construction of New Generation Capacities for electricity generation from Water, in Bresana River, **HPP Bresana** with an installed capacity of **0.31 MW** Municipality of Dragash, Republic of Kosovo.
