ANNOUNCEMENT

The IInd Session of ERO Board in 2017

The Board of Energy Regulatory Office (ERO), in its IInd session for this year, held on 9 February 2017, decided on the issuance of Final Authorization to "EUROKOS JH" LLC, for construction of new generation capacities from renewable energy sources (RES) with a capacity of 3.9 MW, in the Municipality of Dragash.

Also, following the review of the requests of "ÇETA – GENERAL INVEST GROUP" LLC and "AFA ENERGY" LLC, as well as based on the applicable legislation, the Board decided on extension of validity time-limit of Preliminary Authorizations for construction of new generation capacities from RES, for a period of six (6) months, as stipulated on Rule on Authorization Procedure for Construction of New Generation Capacities.

The Board also reviewed some customer complaints, including some appeals of Supply Operator KESCO towards ERO's decisions, as well as discussed on the situation of energy sector in the country.

All Board decisions shall be published on ERO's electronic website www.ero-ks.org.
