DECISION

I. On APPROVAL of amendment of the document “Grid Code- Connections Code” of KOSTT JSC, as in Annex of this Decision.

Reasoning

- Energy Regulatory Office (ERO), on 04.10.2017, received the request of OCGC on amendment of the document “Grid Code- Connections Code” harmonized with the applicable legislation. In this context, some points were added and the adjustment of terms in accordance with applicable legislation was carried out, as well as spelling corrections and adjustment of the text.

- ERO provided comments during the amendment period as an active participant in OCGC as well as during the period following the submission of the document for approval by ERO, which were included in the document. Meanwhile, the need for a more expanded amendment of the Grid Code- Connection Code arose, as a request of the Energy Community on including the provisions of grid codes of EU in the document (Requirements for Grid Connection of Generators and Demand Connection Network Code).

- Following the inclusion of all comments and finalization of the document, OCGC, on 03.08.2018, submitted the document “Grid Code- Connections Code” to ERO, with the
request on approval of its amendment.

- Following the evaluation of the request submitted by OCGC on amendment, ERO approved the amendment of the document “Grid Code- Connections Code”.

II. The Decision is issued and published in official languages of the Republic of Kosovo.

III. This Decision shall enter into force on the date of approval by the Board and shall be published on ERO’s official website.
