

Notification of price review

Draft notification

The Board of the Energy Regulatory Office hereby gives notice of its intention to commence a review of the allowed costs and revenues of the individual business activities of KEK, in accordance with the Tariff Methodology issued by the Board. The proposed implementation plan and timetable for the review is available from ERO's website.

ERO invites any parties with an interest in this review to register with ERO, either by email to ERO.PRICING-TARIFFS@eumik.org or by fax or letter marked for the attention of Tariffs & Prices Department. Registered parties will be alerted when relevant documents are issued by ERO, submissions are received or opportunities for public participation arise during the course of the price review. Registration will end on 31 March 2006. The list of registered parties and contact details will be published on ERO's website.

General notifications of opportunities to provide written submissions or participate in public hearings will also be issued by ERO and published on its website in accordance with the requirements of the Rule on Principles of Calculation of Tariffs in the Electricity Sector.

Any party wishing to make submissions on the implementation plan and timetable is invited to send these to ERO, either by email to ERO.PRICING-TARIFFS@eumik.org or by fax or letter marked for the attention to the Tariffs& Prices Department before 31 March 2006.
