

**Board of the Energy Regulatory Office,**

Based on:

- Provisions of Articles 14 and 25 of Law on Energy Regulator,
- Article 11 of the Transmission System Operator License,
- Request of KOSTT for approval of the Procedure on Interconnection Capacity Auctions and Cross-Border Capacity Nomination, dated 18 February 2015,

**in its session held on 10 April 2015, issued the following:**

## DECISION

- I The document: "**Procedure on Interconnection Capacity Auctions and Cross-Border Capacity Nomination**" is hereby approved

## Reasoning

On 18 February 2015, the Energy Regulatory Office received the request of KOSTT for approval of the Procedure on Interconnection Capacity Auctions and Cross-Border Capacity Nomination.

In 2007, KOSTT developed the document: "Operational Procedures for allocation of transmission capacity", which was approved by ERO on 30.01.2007. Up to date, implementation of the document has been impossible because KOSTT has not performed the allocation of interconnection capacities. Upon the establishment of new circumstances for KOSTT, allocation of interconnection capacities shall start to function soon. Taking into account that that the applicable document does not fully meet the requirements, KOSTT has developed the new version of the document, which, based on the obtained experience, is very different from the previous version.

ERO, after reviewing, commenting and assessing the document, considers that it meets the necessary requirements to serve as a basic rule for carrying out the activity of auction for capacity allocation and considered as reasonable to **approve** the document: "**Procedure on Interconnection Capacity Auctions and Cross-Border Capacity Nomination**".

Upon the entry into force of this document, the Operational Procedures for allocation of transmission capacity, approved by the ERO Board on 30.01.2007, shall be repealed.

- II The Decision shall be issued in Albanian language and will be translated into Serbian and English. In case of any discrepancy between the versions, the Albanian version shall prevail.
- III This Decision shall enter into force on the date of approval by the Board and published in the ERO's official website.

**Legal advice:** The party dissatisfied with this Decision may address to the Competent Court, within thirty (30) days from the date of receipt of this Decision or the date of its publication in the ERO website, whichever occurs last.
