

Board of the Energy Regulatory Office,

Based on:

- Provisions of Article 14, paragraph 2.17 of the Law on Energy Regulator, and
- Request of the OCGC for approval of the document "Procedure of the Management of Technical and Operational Codes (OCGC), dated 27 March 2015.

in its session held on 10 April 2015, issued the following:

DECISION

- I. The document: "**Procedure for the Management of Technical and Operational Codes (OCGC)**" is hereby **APPROVED**

Reasoning

- On 17.03.2015, the Energy Regulatory Office (ERO), received the request of the OCGC for reviewing and commenting on the document: "Procedure for the Management of Technical and Operational Codes (OCGC)" , aligned with the applicable Laws, which repeals the procedure approved on 31.01.2007, by the Decision D_31_2007.
 - During the development of the document, ERO provided its comments as an active participant in the OCGC's group.
 - Following these developments, the OCGC, on 27.03.2015, made an official request to ERO for approval of the document: "Procedure for the Management of Technical and Operational Codes.
 - Following the assessment of the request, ERO considered as reasonable to approve the document: "Procedure for the Management of Technical and Operational Codes"
- II. The Decision shall be issued in Albanian language and will be translated into Serbian and English. In case of any discrepancy between the versions, the Albanian version shall prevail.

Procedure for the Management of Technical and Operational Codes

- III. This Decision shall enter into force on the date of approval by the Board and will be published in the ERO's official website, along with the document. The document will be published also in the website of KOSTT.

Legal advice: The party dissatisfied with this Decision may initiate an administrative dispute at the Competent Court, within thirty (30) days from the date of receipt of this Decision or the date of its publication in the ERO website, whichever occurs last.
