

**Board of the Energy Regulatory Office,**

Based on:

- Provisions of Articles 14 and 25 of Law on Energy Regulator,
- Requirements under the Grid Code - Balancing Code,
- Market Rules - Article 13,
- Request of KOSTT for approval of documents for procurement of ancillary services, dated 17 March 2015,

**in its session held on 10 April 2015, issued the following:**

## DECISION

I The documents for procurement of ancillary services:

- *General Terms and Conditions for Ancillary Services;*
- *Explanations for ancillary services contracts and tender instructions;*
- *Criteria on evaluation of ancillary services bids;*
- *Invitation to tender for provision of ancillary services for year [yyyy],*  
*are hereby **Approved**.*

## Reasoning

On 23 January 2014, KOSTT submitted to ERO for commenting the ancillary services tendering documents, and after including the comments of ERO, on 17 March 2015, KOSTT submitted the revised documents, requesting the approval of these documents for procurement of ancillary services.

ERO assessed these documents and considers that they meet the necessary requirements to serve as basic rules to carry out the ancillary services procurement activity, therefore it considered as reasonable to **Approve** the ancillary services tender documents:

- General Terms and Conditions for Ancillary Services;*
- Explanations for ancillary services contracts and tender instructions;*
- Criteria on evaluation of ancillary service bids;*
- Invitation to tender for provision of ancillary services for year [yyyy].*

- II Regarding the document: "*Sample of Contract on Ancillary Services and Tender Form*", the ERO Board considers that it is not for approval, but from KOSTT is required to submit for approval the document: "**Ancillary Services (Standard) Agreement**".
- III The Decision shall be issued in Albanian language and will be translated into Serbian and English. In case of any discrepancy between the versions, the Albanian version shall prevail.
- IV This Decision shall enter into force on the date of approval by the Board and will be published in the ERO's official website.

**Legal advice:** The party dissatisfied with this Decision may address to the Competent Court, within thirty (30) days from the date of receipt of this Decision or the date of its publication in the ERO website, whichever occurs last.
