- Application for admission to the Support Scheme;

in its session held on 16 June 2015, issued the following:

DECISION

on Notification for Preliminary Authorization

- I. Energy Regulatory Office (ERO) hereby concludes that "LED LIGHT TECHNOLOGY KOSOVA" LLC. Company has proved its compliance regarding development of the project for construction of new generation capacities for generation of electricity from solar/photovoltaic panels, at the place called "Gjurgjevik", CZ Malisheva, with an installed capacity of 267 kW, in Municipality of Klina, Republic of Kosovo.
- II. The applicant "LED LIGHT TECHNOLOGY KOSOVA" LLC will be granted AUTHORISATION for construction of new generation capacities from solar/photovoltaic panels, after it meets the requirements deriving from Article 14 and 15 of the Rule on Authorisation Procedure and other requirements of other applicable legislation related to construction of new generation plants.

- III. The Decision on Notification for Preliminary Authorisation does not entitle the holder to start construction of new generation plants before it meets all the conditions and requirements set forth in item II herein.
- IV. The Application of the "LED LIGHT TEHNOLOGY KOSOVA" LLC Company is shall be considered as an application "**pending**" the admission to the support scheme, and the process of admission to the support scheme will continue after the release of the available targets under the Administrative Instruction No. 01/2013, issued by the Ministry of Economic Development of the Republic of Kosovo, and the written notification from ERO.
- V. This Decision is issued for a one (1) year period, and within this period the applicant is obliged to meet the requirements under item II of the enacting clause of this Decision, and shall request in writing granting of Authorisation for construction of new generation plant.
- VI. Upon duly justified request of the Applicant for conversion of the Decision on Notification for Preliminary Authorization, the time limit set forth under the enacting clause, item VI, of this decision, may be extended for another six (6) months time limit; and in case the Party does not submit request for extension of the validity time limit, the Decision on Notification for Preliminary Authorization shall be repealed automatically, and it will not be reviewed by the ERO Board.
- VII. The time limit set forth under **item V of this Decision** will start to flow from the date of the written notification on inclusion to the supporting scheme from ERO, and not from the data of issuance of this Decision.

Reasoning

- On 24 February 2015, ERO received from the "**LED LIGHT TEHNOLOGY KOSOVA**" LLC. Company the application for authorisation for construction of new generation capacities for generation of electricity from solar/photovoltaic panels, at the place called "Gjurgjevik", CZ Malisheva, with an installed capacity of 267 kW, in Municipality of Klina, Republic of Kosovo.
- On 26 February 2015, ERO received from "**LED LIGHT TEHNOLOGY KOSOVA**" LLC Company the application for admission to the support scheme.
- On 27 January 2015, ERO issued a notification to "**LED LIGHT TEHNOLOGY KOSOVA**" LCC Company, whereby it informed that until now ERO has received/registered several applications for construction of solar panel generators, the capacity of which has FULFILLED the targets of use and support of generation of electricity from RES, set forth under the Administrative instruction No. 01/2013 issued by the Ministry of Economic Development. It also notified that under the Rule on Admission to the Support Scheme, the feed-in tariff will be guaranteed only to those applicants that have been granted with the Preliminary or Final Authorization and which are within the targets set forth by the Administrative Instruction No. 01/2013.
- It further notified the Applicant that if it wishes to continue the procedures for being granted with Decision on Notification for Preliminary Authorisation, or Final Authorisation, the relevant Decision will specify that their application is "pending" and it will not be included to

the support scheme until the available targets are released, in accordance with the Administrative Instruction No. 01/2013.

- Following the evaluation of the relevant evidence and proofs attached to the application, and other additional supplementing proofs requested by ERO, and assessment of the content of the application for admission to the support scheme, based on legal provisions mentioned in the introductory section of this decision, ERO decided as in the enacting clause of this decision.

VIII. The Decision shall be issued in Albanian language and will be translated into Serbian language. In case of any discrepancy between the versions, the Albanian version shall prevail.

IX. This Decision shall enter into force on the date of approval by the Board and will be published in the ERO's official website.

Legal advice: The party dissatisfied with this Decision may initiate an administrative dispute with the Competent Court, within thirty (30) days from the date of receipt of this Decision or the date of its publication in the ERO website, whichever occurs last.
