## Board of the Energy Regulatory Office

### Taking into account:

- Article 8 paragraph 1 subparagraph 1.6, Article 14 paragraph 2 subparagraph 1.7 and Article 25 of the Law (No.03/L-185) on Energy Regulator;
- Article 4 and 12 of the Rule on the Authorization Procedure for the Construction of New Generating Capacities, Gas Networks, Direct Power Lines and Direct Pipelines;
- Application for Authorization for the construction of a new generating capacity for the production of electricity from water, at an installed capacity of 57.8 MW consisting of five (5) generating unit to be located at: “Kuqishta” with an installed capacity of 4.7 MW, “Drelaj I” with an installed capacity of 4.3 MW, “Drelaj II” with an installed capacity of 5.4 MW, “Shtupeq” with an installed capacity of 11.6 MW and “Rugova” with an installed capacity of 31.8 MW, all of them in the municipality of Peja. The application was submitted on 03.02.2011 by Kelkos - Energy LLC, with address “Arbëria” Dragodani – Zagrebit 19/22 Prishtina, Republic of Kosova,

### In its session held on 28 April 2011 adopted this:

#### **DECISION** **On Notification of Preliminary Authorization**

- I. The Energy Regulatory Office (ERO) determined that “Kelkos – Energy” LLC has demonstrated its eligibility for the implementation of a project for the construction of a new generating capacity from renewable energy sources (RES), i.e. water, at a total installed capacity of 57.8 MW, consisting of five (5) generating unit to be located at: “Kuqishta” with an installed capacity of 4.7 MW, “Drelaj I” with an installed capacity of 4.3 MW, “Drelaj II” with an installed capacity of 5.4 MW, “Shtupeq” with an installed capacity of 11.6 MW and “Rugova” with an installed capacity of 31.8 MW, all of them in the municipality of Peja.
- II. Applicant Kelkos –Energy LLC may be issued AUTHORIZATION for the construction of a new generating capacity once the requirements arising from Articles 12 and 13 of the Rule on Authorization Procedure and other requirements arising from other applicable legislation related to the construction of new generating facility are met.
- III. This decision on Notification of Preliminary Authorization does not imply issuance of Authorization, until the requirements set out in Point II of this decision are met.

### Justification

- On 03.02.2011 ERO received an application from **Kelkos – Energy LLC** for the construction of a new generating capacity for the production of electricity from water, at a total installed capacity of 57.8 MW, consisting of five (5) generating unit to be located at: “Kuqishta” with an installed capacity of 4.7 MW, “Drelaj I” with an installed capacity of 4.3 MW, “Drelaj II” with an installed capacity of 5.4 MW, “Shtupeq” with an installed capacity of 11.6 MW and “Rugova” with an installed capacity of 31.8 MW, all of them in the municipality of Peja.
- Following evaluation of evidence attached to the application and receipt of additional evidence it had requested, in accordance with the legal provisions mentioned in the introduction to this decision, ERO decided as stated in the disposition to this Decision.

**IV.** This decision is issued in the Albanian language and will be translated into Serbian and English. In the event of any discrepancy between the versions, the Albanian version shall prevail.

**V.** This decision enters into force on the date of its approval by the ERO Board and shall be published in the official web-site of ERO.

**Legal remedy:** Against this Decision, the unsatisfied party may address the competent Court within fourteen (14) days since the date of the decision’s receipt or publication on the official web-site of ERO, whichever occurs last.
