

Prishtina, 17 June 2011
ERO Code: V_367_2011

Board of the Energy Regulatory Office

Taking into account:

- Provisions of Article 14 and 25 of the Law No. 03/L-185 on Energy Regulator,
- Provisions of Article 49.2 of the Rule on the Licensing of Energy Activities in Kosovo, and Article 4 of the Transmission System Operator's License,
- Request of KOSTT JSC for derogation in the implementation of some provisions in the Grid Code, Metering Code and the Transmission System Operator's License submitted on 3 June 2011,

In its session held on 17 June 2011 adopted this:

DECISION

To permit derogation for KOSTT JSC in the implementation of some provisions in the **Grid Code and Transmission System Operator's License** as shown in the Annex to this decision.

JUSTIFICATION

The Energy Regulatory Office on 3 June 2011 received a request from KOSTT JSC for derogation in the implementation of some provisions of the Grid Code, Metering Code and the Transmission System Operator's License. Following review of the request and given the current state of the Transmission System, ERO deemed it reasonable to permit derogation for the timeframes set out in the Annex.

All other provisions of the Grid Code, Metering Code and the Transmission System Operator's License remain effective.

This decision is issued in the Albanian language and shall be translated into Serbian and English. In the event of any discrepancy between the versions, the Albanian version shall prevail.

This decision comes into effect on the date of its approval by the Board of the Energy Regulatory Office and shall be published in the website of ERO.

Legal remedy: Against this decision, unsatisfied party may address the competent court within fourteen (14) days following receipt of the decision or its publication on the website of ERO, whichever occurs last.

Annex: Allowed derogations.
