

Prishtina, December 28, 2012
ERO Code: V_492_2012

The Board of the Energy Regulatory Office

Based on:

- Article 8, paragraph 1, sub-paragraph 1.6, Article 14, paragraph 2, sub-paragraph 1.7 and Article 25 of the Law on Energy Regulator (No.03/L-185);
- Article 4, 5 and 13 of Rule on the Authorization Procedure for Construction of New Generation Capacities; and
- Application for Authorization on construction of new generation capacities for electricity generation from water, in the Drini i Bardh river, dam type, with an installed capacity of 9.9 MW, in the location of Dobrushtë village, Municipality of Prizren, dated 14.03.2012 from the enterprise " Drini i Bardhë " JSC, address: street "Vetim Shala " no. 4, MA Prizren, Republic of Kosovo,

in the session held on 28 december 2012 issues the following:

DECISION

On Notification for Preliminary Authorization

- I.** Energy Regulatory Office (ERO) finds that the enterprise "Drini i Bardhë" JSC., has proved its suitability for the development of the project for the construction of new generation capacities from water, in the Drini i Bardhë river, dam type, with an installed capacity of 9.9 MW, in a location of Dobrushtë village, Municipality of Prizren.
- II.** The Applicant "Drini i Bardhë" JSC., may be granted with AUTHORIZATION for the construction of new generation capacities, following the fulfilment of the requirements arising from Articles 14 and 15 of the Rule on the Authorization Procedure and requirements of other applicable legislation regarding the construction of new generation plants.
- III.** Decision on Notification for Preliminary Authorization does not entitle the holder to begin construction of new generation plants before they meet all the conditions and requirements set out in section II. of this Decision.
- IV.** Decision on Notification for Preliminary Authorization is issued to "Drini i Bardhë" JSC., for two (2) years, and obliges the applicant within this period to make a written request for the issuance of authorization for the construction of new generation capacities from water.

Justification

- ERO on 14.03.2012 received from the enterprise "Drini i Bardhë" JSC., received an application for authorization for the construction of new generation capacities for electricity generation from water, in Drini i bardh river, dam type, with an installed capacity of 9.9 MW, at a location of Dobrushtë village, Municipality of Prizren.
 - ERO, after evaluating the evidences attached to the application and the receipt of additional supplementary evidences, required by the ERO, based on the legal provisions mentioned in the introduction to this decision, has decided as in the clause of this decision.
- V. The Decision shall be issued in Albanian language and will be translated into Serbian and English. In the event of any discrepancy between the versions, the Albanian version shall prevail.
- VI. This Decision shall enter into force on the date of approval by the Board, and shall be published in the official website of ERO.

Legal Advice: The party dissatisfied with this Decision may initiate an administrative dispute at the Competent Court, within thirty (30) days from the date of receipt of the Decision or the date of its publication in the ERO website, whichever occurs last.
