Based on:

- Provisions of Articles 14 and 25 of the Law on Energy Regulator,
- Request of KOSTT for the approval of the amendment to the Rules of Auction for the Allocation of interconnection capacities of Southeast Europe (SEE) of 05 September 2014,

In the session held on 03 October 2014, issued the following:

DECISION

I Approving the amendments in the Rules of Auction for the Allocation of the Interconnection capacities of SEE

Reasoning

The Energy Regulatory Office, on 05 September 2014, received the request of KOSTT for the approval of the amendment to the Rules of Auction for the Allocation of interconnection capacities of SEE.

The document has been approved by the Board of Directors of PTC CAO SEE (*Project Team Company Coordinated Auction Office in the South East Europe*).

Initially, by decision V_615_2014, ERO approved the document on 12 March 2014. The document was reviewed by a working group consisting of representatives of the participating TSOs. The debatable issues about the chart in Annex 3 that had remained unproven have already been overcome and several improvements have been made in the contents, thus being completed as final document.

ERO, following the assessment of the document and based on the request of KOSTT, considers that, with the amendments made, the document meets the required criteria to be considered a basic rule for the execution of the activity of the Auction for the Allocation of capacities for the region included in the document, therefore **Approves the Rules of Auction for the Allocation of interconnection capacities of SEE amended.**

- II** The Decision shall be issued in Albanian language and will be translated into Serbian and English. In the event of any discrepancy between the versions, the version in Albanian shall prevail.

III The Decision shall enter into force on the date of approval by the Board of ERO and shall be published in the official website of ERO.

Legal Remedy: The party dissatisfied with this Decision may initiate an administrative dispute at the Competent Court, within thirty (30) days from the date of receipt of the Decision or the date of its publication in the ERO website, whichever occurs last.
