

Prishtina, 23 December 2014

ERO Code: V_675_2014

Board of the Energy Regulatory Office,

Based on:

- Provisions of Articles 14 and 25 of Law No. 03/L-185 on Energy Regulator;
- Provisions of Article 9 of Grid Code - Planning Code;
- Request of KOSTT JSC, dated 01 October 2014, submitted for commenting, and request of 25 November 2014 concerning the approval to publish the Generation Adequacy Plan 2015-2024 document on website;

in the session held on 23 December 2014, issued the following:

DECISION

I - Generation Adequacy Plan 2015-2024 document is hereby **Approved** and KOSTT may circulate the document to parties and shall publish it on its official website.

Reasoning

On 01 October 2014, the Energy Regulatory Office (ERO) received the request of KOSTT JSC for commenting and granting the approval to circulate the **Generation Adequacy Plan 2015-2024** document to the parties, as well as to publish it on its website. Following the comments of the ERO and inclusion thereof in the document, the KOSTT JSC has submitted the final document, requesting its approval and the approval to circulate to parties and publish it on the official website, whereof the ERO agreed and hereby issues this decision.

II The Decision shall be issued in Albanian language and will be translated into Serbian and English. In case of any discrepancy between the versions, the Albanian version shall prevail.

III This Decision shall enter into force on the date of approval by the Board and shall be published on the ERO's official website.

Legal advice: The party dissatisfied with this Decision may initiate an administrative dispute at the Competent Court, within thirty (30) days from the date of receipt of this Decision or the date of its publication in the ERO website, whichever occurs last.
