PRESS RELEASE

Fifth (V) Session of ERO Board

On 16 February 2022, the Board of Energy Regulatory Office (ERO) held the fifth (V) session for this year.

In this session, the Board decided on the tariffs of the enterprise DH Gjakova for the season 2021/2022.

The Board approved the request for extension of the electricity supply license of the enterprise "Interenergo D.o.o. Kosova" LLC.

Today, the Board also issued authorizations for SELF-CONSUMPTION to 7 generators, for generation of electricity from solar/photovoltaic sources, with a capacity of 440.4 kW.

Part of the review from the Board were also some other issues related to the functioning of the sector and the Energy Regulatory Office.

All decisions of ERO Board will be published on the official website of ERO www.ero-ks.org.
