

Pristina, 12 November 2020  
ERO Code: V\_1316\_2020

The Board of Energy Regulatory Office,

Based on:

- Provisions of Article 9, paragraph 1, sub-paragraph 1.7, Article 15 and Article 26 of the Law on Energy Regulator No. 05/L-084;
- Provisions of Article 20 of the Law on Thermal Energy No. 05/L-052; and
- Amendment of the Heat Supply Agreement between KEK Generation JSC and DH Termokos JSC, submitted for approval at ERO on 24 October 2019;

in the session held on 12 November 2020 issued the following:

## DECISION

- I. **APPROVAL** of the Amendment of "Heat Supply Agreement, concluded on 24.12.2014, no.252" between KEK-Kosovo Energy Corporation JSC and DH Termokos JSC

### Reasoning

- On 27 October 2020, the Energy Regulatory Office (ERO) received the proposal Amendment - "Annex agreement for setting the price of thermal energy for heat supply", which was concluded between KEK JSC - DH Termokos JSC, dated on 14 October 2020.
- The attached amendment contains four articles:
  - Article 1, which defines the period of validity of the annex agreement - from 15 October 2020 to 15 April 2021,
  - Article 2, which amends 2 (two) paragraphs of Annex IV of the basic agreement. This amendment is a result of the deregulation of the electricity generator (KEK JSC). Specifically, the prices of thermal energy from cogeneration in TPP Kosova B refer to the price of electricity that KEK Generation offers to the Universal Service Supplier of electricity (USS) in the amount of 29.50 €/MWh, as well as the additional cost of 0.31 € / MWh to cover the cost of electricity consumption at the Thermal Power Extraction Station at TPP Kosova B (HES), based on the previously agreed methodology previously between KEK - DH Termokos - ERO.
  - Article 3, by which the parties agree that the base price recalculated under Article 2 shall be 29.81 € / MWh.
  - Article 4, by which the parties agree that, for the period under Article 1, the price of thermal energy to be at the level of 1.36 €/MWh while for electricity capacity to be at the level of 20.87 €/MWh/h.

- Other provisions of the basic agreement signed on 24 December 2014 and approved by ERO on 23 December 2014, by decision V\_677\_2014 shall remain in force.
  - Taking into account the legal provisions mentioned in the introductory section of this decision and based on the review of the Amendment in question, the ERO Board has decided as in the enacting of this decision.
- II. The decision is issued in Albanian and will be translated into Serbian. In case of any discrepancies between the versions, the Albanian version shall prevail.
  - III. The decision shall enter into force on the date of approval by the ERO Board and will be published on the official website of ERO.

**Legal advice:** The dissatisfied parties may address the Competent Court to object this Decision within thirty (30) days from the date of the receipt of this Decision or its publication on ERO's website, whichever occurs last.
