Sixth (VIth) Session of the ERO Board in 2026

On 18.05.2026, the Board of the Energy Regulatory Office held its sixth (VI) session for 2026. In this session, the Board reviewed and approved the Five-Year Development Plan and the Ten-Year Development Plan of the Distribution System Operator. The Board also reviewed the comments of NH Ibër Lepenc JSC regarding the notification of the ascertained non-compliances.

In this session, twenty-one (21) requests for obtaining authorization for self-consumption, with a total installed capacity of 400 kWh, were reviewed and approved.

Part of the review by the Board were also other issues related to the functioning of the Energy Regulatory Office.

All decisions of the ERO Board will be published on the official website www.ero-ks.org
